Discussions and Presentations

Operations Update

Electric Superintendent Travis Long reported that crews performed three-phase pole upgrades on 26 poles and completed six pole change-outs. They installed three-phase and single-phase underground primary wire for a subdivision and extended three-phase underground primary service to the new car wash on South Jefferson. Crews also worked on installing underground wire and electric service at Plaza Tire and continued progress on the I-44 crossing project. He also reported that 1.5 miles of feeder clearing had been completed.

Environmental Superintendent Eric Mork shared that crews installed 275 linear feet of sewer main at Legacy Subdivision, completing the sewer project. They also installed a water main on Mountrose as part of the ongoing stormwater project, repaired water leaks, and completed pipe cleaning at Goodwin Hollow.

Public Works Analyst Kelly Roberts shared that the pole attachment agreement with Brightspeed was still in progress.

Resolutions

Resolution No. 2025-022- A Resolution by the Board of Public Works of Lebanon, Missouri, approving the purchase of Replacement Relay Panels for Substations No. 1, No. 2, and No. 3 from Keystone Electrical Manufacturing, Inc.

Jeremy Goforth moved and LeAnn Mather seconded that the Board approve Resolution No. 2025-022 as presented. Motion carried as follows: Yea: (3) Don Anderson, Jeremy Goforth, LeAnn Mather; Nay: (0) None; Abstain: (0) None; Absent: (1) Ted Dahl.

Chairwoman Mather declared Resolution No. 2025-022 duly passed and approved.

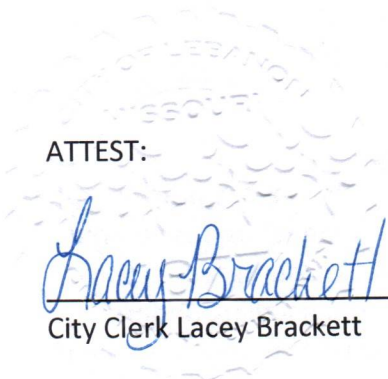

Board Member Comments

Board Member Don Anderson inquired about the construction near Headley's and thanked the department for providing Public Works updates to the radio station, complimenting staff on their efforts.

Adjournment

Chairwoman Mather declared the meeting adjourned at 12:16 p.m.
